

# Privacy Policy

## DATA PROTECTION INFORMATION - [www.teesz.hu/us/](http://www.teesz.hu/us/)

Közösségi Kávetermelő Kft. (hereinafter: Service Provider) operates an online store on the website [www.teesz.hu](http://www.teesz.hu) (hereinafter: Website),

during which it manages the data of website visitors and website registrants (hereinafter: Users). In connection with the management of data, the Service Provider hereby informs the Users about the personal data it manages on the Website, the principles and practices followed in the management of personal data, as well as the manner and possibilities of exercising the rights of the persons concerned.

The service provider respects the personal rights of its website visitors; handles recorded personal data confidentially, in accordance with data protection legislation and international recommendations, in accordance with this Data Management Information.

By using the Website, the User accepts the following and consents to the data management defined below.

## DEFINITIONS

Data subject (User): identified on the basis of any specific personal data or - directly or indirectly - identifiable natural person;

2. Personal data: data that can be associated with the data subject - especially the data subject's name, identification mark, and one or more physical, physiological, mental, economic, cultural or social characteristics of the data subject - as well as any conclusions about the data subject that can be drawn from the data;

3. consent: the voluntary and decisive declaration of the data subject's will, which is based on adequate information, and with which he gives his unequivocal consent to the processing of his personal data - in full or covering certain operations;

4. protest: the statement of the data subject objecting to the processing of his personal data and requesting the termination of data processing or the deletion of processed data;

5. data controller: the natural or legal person or organization without legal personality who, independently or together with others, determines the purpose of data management, makes and implements decisions regarding data management (including the device used), or the person entrusted by him/her executed with a data processor;

6. data management: regardless of the procedure used, any operation performed on the data or a set of operations, thus especially collecting, recording, recording, organizing, storing, changing, using, querying, transmitting,

disclosure, coordination or connection, blocking, deletion and destruction, as well as prevention of further use of the data, taking photographs, audio or image recordings, as well as physical characteristics suitable for identifying the person (e.g. fingerprint or palm print, DNA sample, iris image) recording;

7. data processing: performing technical tasks related to data management operations, regardless of the method and tool used to perform the operations, as well as the place of application, provided that the technical task is performed on the data;

8. data processor: a natural or legal person, or an organization without legal personality, who processes data on the basis of the contract concluded with the data controller - including the conclusion of a contract based on the provisions of the law;

9. data transmission: making the data available to a specific third party;

10. disclosure: making the data available to anyone;

11. data deletion: rendering the data unrecognizable in such a way that their recovery is no longer possible;

12. data blocking: providing the data with an identification mark for the purpose of limiting the further processing of the data permanently or for a specified time;

13. data destruction: complete physical destruction of the data carrier containing the data;

14. third party: a natural or legal person, or an organization without legal personality, who is not the same as the person concerned, the data controller or the data processor;

## PURPOSE OF DATA MANAGEMENT

The purpose of data management:

Fulfillment of orders placed in the online store,

Sending a newsletter,

delivery of orders,

invoicing.

## LEGAL BASIS OF DATA MANAGEMENT

Data processing by the Service Provider is governed by Article 6, paragraph (1) point a) of the GDPR and Act CXII of 2011 on the right to self-determination of information and freedom of information. TV. (Infotv.) Section 5 (1) According to point a), the user's voluntary consent to data management based on adequate information (hereinafter: Consent);

## NAME OF THE SERVICE PROVIDER

Name: Közösségi Kávetermelő Kft. - Coop Roastery Ltd.

Headquarters: 1095 Budapest, Gát u. 21. Fsz./1., Hungary

Email: [info@cooproastery.hu](mailto:info@cooproastery.hu)

## PERIOD OF DATA MANAGEMENT

The duration of processing the data of registered Buyers begins with registration and lasts until it is deleted upon request. Cancellation of registration can be requested at the e-mail address info@teesz.hu. Cancellation of registration is possible if the Buyer does not have an order in progress. The cancellation deadline is 5 working days from the receipt of the request.

In the case of a newsletter, the Data Controller manages the data provided by the User during subscription to the newsletter until the User unsubscribes from the newsletter by clicking on the "Unsubscribe" button at the bottom of the newsletter or requests to be removed from the list of subscribers to the newsletter by email or post. In case of unsubscribing, the Service Provider will delete the User's data after receiving the request (by email, post or by clicking on the "Unsubscribe" button) and will no longer send newsletters to the User.

The logged data is stored by the system for 6 months from the date of logging, with the exception of the date of the last visit, which is automatically overwritten.

The above provisions do not affect the fulfillment of retention obligations defined in legislation (e.g. accounting legislation), as well as data processing based on additional consents given during registration on the Website or in any other way.

## **DETERMINATION OF THE SCOPE OF MANAGED DATA**

Technical data

The User's IP address, the operating system used, the browser used.

Only the Service Provider has access to the data obtained in this way, not the Users; The identity and profile of the User cannot be inferred from these data, as the Service Provider uses this information exclusively for the technical operation of the Website and for statistical purposes - in a way that is not suitable for personal identification.

Registration

The range of data that must be provided during registration or purchase without registration:

Your e-mail address, which also serves as a unique identifier

Full name

Phone number

Billing data

Shipping data

Newsletter

When subscribing to the newsletter, the User must provide the Service Provider with their email address and full name.

The newsletter has direct marketing elements and contains advertising. The Service Provider manages the data provided by the User when using the newsletter.

## **DATA RELATING TO COOKIE PLACEMENT**

The Service Provider stores the following cookies in order to enable shopping on the Website

cookie used for a password-protected session,

the cookie used for the shopping cart,

cookie for security purposes

In these cases, the prior consent of the data subject is not required.

The Service Provider stores the following types of cookies for the time specified below in order to make the Website's convenience functions usable:

source identifier - 60 days

last viewed products - 60 days

recommended products - 60 days mobile version, design change - 365 days

basket storage - 365 days

exit offer - 30 days

Data storage takes place on the data subject's IT device. The data subject has the option to delete and block cookies in the browser menu;

The Website may also contain links to external servers (not managed by the Service Provider), the pages accessible through these links may place their own cookies or other files on the computer, collect data or request personal data.

The Service Provider excludes all responsibility for these.

## **RANGE OF PERSONS WITH KNOWLEDGE OF THE DATA, DATA TRANSMISSION, DATA PROCESSING**

The Service Provider and the Service Provider's internal employees are primarily entitled to know the data, they will not be published, they will not be passed on to third parties, only if it is absolutely necessary to fulfill the order.

The Service Provider may use a data processor for the operation of the underlying IT system, the fulfillment of orders, and settlement of accounts:

Email and hosting provider:

Google Inc.

Google is included in the compliance decision of the European Commission under Article 45 of the GDPR and in the Commission's executive decision 2016/1260, as well as on the USA - EU Privacy Shield List established based on these, i.e. the transfer of data here is not considered a transfer to a third country outside the European Union data transmission and does not require a separate permission from the data subjects, and the data transmission there is permitted based on Article 45 of the GDPR. These companies have undertaken to comply with the GDPR.

In addition to the above, personal data relating to the User may only be forwarded in the case required by law or based on the User's consent.

The service provider is entitled to transfer the personal data it manages to a third party.

Legal basis for data transfer: User's consent, Infotv. Paragraph (1) of § 5, or electronic commerce services, and paragraph (3).

## DATA SECURITY

The Service Provider takes all necessary steps to ensure the security of the personal data provided by the Users both during network communication and during data storage and protection. Access to personal data is strictly limited to prevent unauthorized access, unauthorized changes, and unauthorized use of personal data.

## USER RIGHTS AND REMEDIES

Right of access: you can request information about what kind of data we process, for what purpose, for how long, to whom we transfer it, and where the data we process comes from.

Right to rectification: if your data changes or we recorded it incorrectly, you can request that your data be rectified, corrected, or clarified.

Right to deletion: in the cases defined by law, you can request that your data processed by us be deleted.

Right to restrict data processing: in the cases defined by law, you can request that data processing be restricted.

Right to data portability: You can request the portability of your data by contacting our data protection officer, by exercising this right you can request that we release your data of the type defined by law, or transfer it directly to another service provider indicated by you based on your special request and authorization.

If you submit the above requests, we will act in accordance with the law and inform you within one month of the measures we have taken based on your request.

Right to withdraw consent: when we process your data based on your consent, you have the right to withdraw your consent at any time, which, however, does not affect the legality of our data processing prior to the withdrawal of your consent.

Right to complain: if you have been violated in relation to our data management, you have the right to submit a complaint to the competent supervisory authority:

National Data Protection and Freedom of Information Authority

Website: <http://naih.hu>

Postal address: 1530 Budapest, Pf.: 5.

Email: [ugyfelszolgalat@naih.hu](mailto:ugyfelszolgalat@naih.hu)

Phone number: +36 (1) 391-1400

In addition to the above, you can also file a lawsuit against Közösségi Kávétermelő Kft. in the event of a violation of the protection of personal data before the Metropolitan Court.

Right to object: If, based on the above, we process your data based on legitimate interests, you can separately object to this legitimate interest.

## **USE OF EMAIL ADDRESSES**

The Service Provider undertakes not to send e-mails to the e-mail addresses provided by the Users during registration, with the exception of e-mails related to the services used by the User, as well as newsletters sent with the User's consent.

The Service Provider must pay special attention to the legality of the use of the electronic mail addresses it manages, so it only uses them in the manner specified in the Data Management Information Sheet for sending informative e-mails.

Management of e-mail addresses in the first place

identification of the User,

it serves to maintain contact during the fulfillment of orders and the use of services, so e-mails are sent primarily for this purpose.

## **OTHERS**

The Service Provider reserves the right to unilaterally modify this Privacy Notice with prior notification to the Users. After the amendment enters into force, the User accepts the contents of the amended Data Management Information by using the service.

If the User provided third-party data during registration to use the service or caused damage in any way while using the Website, the Service Provider is entitled to claim compensation from the User. In such a case, the Service Provider will provide all possible assistance to the acting authorities in order to establish the identity of the person violating the law.

Date of entry into force of the Data Management Notice: 25.05.2018.
